

# “Navigating Dementia with an Open Heart”

**Date: Saturday, June 22, 2024**  
**Time: 10:00 AM - 3:00 PM**  
**Lunch/Break Time: On your own**

## Workshop Presenter: MJ Grant

Mary Jane 'MJ' Grant, born to Deaf parents, has been a member of the Maine Deaf community since childhood. As a Coda, a caregiver and a sign language interpreter, MJ will cover her personal journey of caregiving for her Deaf mother, Carmen Grant, who has dementia. From the everyday details to the hardships, struggles, and triumphs, MJ will leave no stone unturned about the realities of caregiving, her advocacy and resilience. MJ will share her vision for caregiver support as well as what she hopes the future of care for Deaf individuals living with dementia can look like both in the short and long term.

## Location:

**Spartanburg Community College**  
**Health Science Building Room 115**
